Dear General:

25X1X6

As a result of the letter from [REDACTED] which you forwarded to me on July 29, Mr. [REDACTED] got in touch with me and I have had a talk with him and one of his confreres. The League they represent, I understand, has been somewhat at a loss since the death of its founder, [REDACTED]. Their approach to me was straightforward, but it is quite possible they may wish to capitalize on it in some manner. I informed them that I was merely a channel for information and they were to infer nothing as a result of our meeting. They agreed to this, and meanwhile I am following up internally.

Thank you very much for your attention to this matter.

Very truly yours,
